Astm full form in petroleum industry pdf free online

C. Unless specified in this Agreement, all express or implied conditions, representations and warranties, including any implied warranty of merchantability, fitness for a particular purpose or non-infringement are disclaimed, except to the extent that these disclaimers are held to be legally invalid. This grant extends only to the Subscriber and such Authorized Users individually and may not be transferred to, or extended to, others. ASTM grants you a limited, non-transferable license as follows: The right to download an electronic file of this ASTM Document for temporary storage on one computer for purposes of viewing, and/or printing one copy of the ASTM document for individual use. If verification reveals unlicensed or prohibited use of the ASTM Products or Documents, Licensee agrees to reimburse ASTM for the costs incurred in verification and reimburse ASTM for any unlicensed/prohibited uses. You also agree to waive any claim of immunity you may possess. By purchasing a subscription and clicking through this agreement, you are entering into a contract, and acknowledge that you have read this License Agreement, that you understand it and agree to be bound by its terms. Ownership:This Product is copyrighted, both as a compilation and as individual standards, articles and/or documents ("Documents") by ASTM ("ASTM"), 100 Barr Harbor Drive, West Conshohocken, PA 19428-2959 USA, except as may be explicitly noted in the text of the individual Documents. This is not a sale; all right, title and interest in the ASTM Document (in both electronic file and hard copy) belong to ASTM. This is not a sale; all right, title and interest in the ASTM Product or Documents (in both electronic file and hard copy) belong to ASTM. Integration:This Agreement is the entire agreement between Licensee and ASTM relating to its subject matter. Assignment:Licensee may not assign or transfer its rights under this Agreement without the prior written permission of ASTM. B. Please click here to view License Agreement for Educational Institutions. Detection of Prohibited Uses. Delivery Formats and Service. ASTM International grants to the Subscriber and Authorized Users at the Subscriber's Authorized Site, online access to ASTM's journal for which the Subscriber maintains a current subscription to the print or online version. You must immediately notify ASTM of any known or suspected unauthorized use(s) of your password, or any known or suspected breach of security, including the loss, theft or unauthorized disclosure of your password or any unauthorized access to or use of The ASTM Document. Verification will take place upon no less than 15 days notice, during normal business hours and in a manner that does not interfere unreasonably with your operations. 1. Inclusion of print or electronic copies in coursepacks or electronic reserves, or for distance learning use, is not authorized by this License and is prohibited without ASTM's prior written permission. (iv) Licensee may not utilize the Product, or access to the Product, for commercial purposes, including but not limited to the sale of Documents, materials, fee-for-service use of the Product or bulk reproduction or distribution of Documents in any form; nor may Licensee impose special charges on Authorized Users for use of the Product beyond reasonable printing or administrative costs. Licensee may terminate this Agreement at any time by destroying all copies (hard, digital or in any media)of the ASTM Documents and terminating all access to the ASTM Product. Licensee agrees to submit to jurisdiction and venue in the state and federal courts of Pennsylvania for any dispute which may arise under this Agreement. Taxes.Licensee must pay any applicable taxes, other than taxes on ASTM's net income, arising out of Licensee's use of the ASTM Product and/or rights granted under this Agreement. A. ASTM does not guarantee access, and will not be liable for damages or refunds if the Product becomes unavailable temporarily, or if access becomes slow or incomplete due to system back-up procedures, Internet traffic volume, upgrades, overload of requests to servers, general network failures or delays, or any other cause that may from time to time make the Product unavailable for the Licensee or Licensee's Authorized Users. Personal accounts/passwords may not be shared. IMPORTANT-READ THESE TERMS CAREFULLY BEFORE DOWNLOADING THIS DOCUMENT. Obscuring, deletion or modification of the copyright notice is not permitted. 4. Specific Licenses: (i) Individual User: (a) the right to browse, search, retrieve, display and view the Product; (b) the right to download, store or print single copies of individual Documents, or portions of such Documents, solely for Licensee's own use. Prohibited Uses. You may terminate this Agreement at any time by destroying all copies (hard, digital or in any media) of the ASTM Document (journal). By downloading the ASTM Document you are entering into a contract, and acknowledge that you have read this License Agreement, that you understand it and that you agree to be bound by its terms. Verification.ASTM has the right to verify compliance with this Agreement, at its expense, and at any time during the course of normal business hours. To do so, ASTM will engage an independent consultant, subject to a confidentiality agreement, to review your use of ASTM Documents. The individual Document downloaded may not otherwise be sold or resold, rented, leased, lent or sub-licensed. Neither the electronic file nor the single hard copy print may be reproduced in anyway. No modification of this Agreement will be binding, unless in writing and signed by an authorized representative of each party. In no event will ASTM's liability exceed the amount paid by you under this License Agreement. That is, Licensee may access and download an electronic file of a Document (or portion of a Document) for temporary storage on one computer for purposes of viewing, and/or printing one copy of a Document for individual use. Copyright Notice. Licensee agrees to permit access to its information and computer systems for this purpose. All copies of material from an ASTM Product must bear proper copyright notice in ASTM's name, as shown in the initial page of each standard, article, file or material. Fees: 8. Limited License.ASTM grants Licensee a limited, revocable, nonexclusive, non-transferable license to access, by means of one or more authorized IP addresses, and according to the terms of this Agreement, to make the uses permitted and described below, each ASTM Product to which Licensee has subscribed. Disclaimer of Warranty. The Subscriber will be responsible for all access control and security measures necessary to ensure that the Subscriber's IP addresses are not used to access the journals other than by authorized Users. This ASTM Document may not otherwise be sold or resold, rented, leased, lent or sub-licensed. Subscriber is the person or entity which has subscribed to the ASTM journal and agreed to the terms of this limited license. For a Subscriber with multiple locations in the same city, each location is considered to be a different site. (ii) An Authorized User may not make this Product, or Documents, available to anyone other than another Authorized User, whether by Internet link, or by permitting access through his or her terminal or computer; or by other similar or dissimilar means or arrangements. General. This document is copyrighted by the ASTM International (ASTM), 100 Barr Harbor Drive, West Conshohocken, PA 19428-2959 USA. Limited License. You (Licensee) have no ownership or other rights in the ASTM Product or in the Documents. You may not remove or obscure the copyright notice or other notice contained in the ASTM Product or Documents. In no event will ASTM's liability exceed the amount paid by Licensee under this License Agreement. Governing Law, Venue, and Jurisdiction:This Agreement shall be interpreted and construed in accordance with the laws of the Commonwealth of Pennsylvania. Some ASTM Products use standard Internet HTML format. ASTM reserves the right to change such format upon three [3] months' notice to Licensee, although ASTM will make reasonable efforts to use commonly available formats. The Licensee and the authorized Users are responsible for obtaining at their expense a reliable Internet connection, Web browsers, and licenses for any software necessary to view the ASTM Products. 3. (e) Licensee will undertake all necessary authentication and verification processes to ensure only Authorized Users can access the ASTM Product. Licensee is responsible for taking reasonable measures to prevent prohibited uses, and promptly notify ASTM of any infringements of copyright or prohibited use of which Licensee becomes aware. Licensee will cooperate with ASTM in investigating any such prohibited uses and will take reasonable steps to ensure the cessation of such activity and to prevent any recurrence. Licensee acknowledges and agrees that ASTM may imbed certain identifying or tracking information in the ASTM Products available on the Portal. If you do not agree to the terms of this License Agreement, promptly exit this page without entering the ASTM Product. The single hard copy print may only be distributed to others for their internal use within your organization; it may not be copied. Definitions. If Licensee fails to pay ASTM any license or subscription fees when due, ASTM will provide the Licensee with a 30-day period within which to cure such breach. In addition, the electronic file may not be distributed elsewhere over computer networks or otherwise. A. This Agreement shall be interpreted and construed in accordance with the laws of the Commonwealth of Pennsylvania. If Licensee's subscription to an ASTM Product terminates, further access to the online database will be denied. If Licensee or Authorized Users materially breach this License or make prohibited uses of material in any ASTM Product, ASTM reserves the right to deny Licensee any access to the ASTM Product, in ASTM's sole discretion. 6. (f) Licensee will provide ASTM with a list of authorized IP (numeric IP domain addresses) addresses and, if Multi-Site, a list of authorized sites. For example, an employee of the Subscriber may be considered to be an Authorized User when accessing the Subscriber's network from home or while traveling to another city; however, employees of a branch campus or facility in another city are not considered to be Authorized Users. B. 12. It supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any quote, order, acknowledgment, or other communication between the parties relating to its subject matter during the term of this Agreement. To the extent not prohibited by law, in no event will ASTM be liable for any loss, damage, lost data or for special, indirect, consequential or punitive damages, however caused regardless of the theory of liability, arising out of or related to the use or downloading of the ASTM Document. Licensee is solely responsible for maintaining the confidentiality of its password(s) and for ensuring the authorized access and use of the ASTM Product. Integration. Licensee also agrees to waive any claim of immunity it may possess. That is, the electronic file cannot be e mailed, downloaded to disk, copied to another hard drive, or otherwise shared. Definitions. By invoking this procedure, ASTM does not waive any of its rights to enforce this Agreement or to protect its intellectual property by any other means permitted by law. The term of this Agreement is _____ ("Subscription Period"). Passwords:Licensee must immediately notify ASTM of any known or suspected unauthorized use(s) of its password(s), or any known or suspected breach of security, including the loss, theft unauthorized disclosure of such password or any unauthorized access to or use of the ASTM Product. 5. Limitation of Liability. Access to the Product is for the Subscription Period only. 9. 2. (iii) Multi-Site:an organization or company with independently administered multiple locations within one city; or an organization or company located in more than one city, state or country, with central administration for all locations. Termination. For reprints of a journal article, please contact ASTM Customer Service, 100 Barr Harbor Dr., PO Box C700, West Conshohocken, PA 19428, phone: 610-832-9555; fax: 610-832-9585; e-mail: service@astm.org Verification: ASTM has the right to verify compliance with this License Agreement, at its expense, and at any time during the course of normal business hours. Licensee and/or ASTM have the right to terminate this Agreement at the end of a Subscription Period by written notice given at least 30 days in advance. Limitation of Liability: To the extent not prohibited by law, in no event will ASTM be liable for any loss, damage, lost data or for special, indirect, consequential or punitive damages, however caused regardless of the theory of liability, arising out of or related to the use or downloading of the ASTM Document. Licensee is solely responsible for maintaining the confidentiality of its password(s) and for ensuring the authorized access and use of the ASTM Product. Integration. Licensee also agrees to waive any claim of immunity it may possess. That is, the electronic file cannot be e mailed, downloaded to disk, copied to another hard drive or otherwise shared. No cure period will be provided for material breaches relating to violations of Section 3 or any other breach likely to cause ASTM irreparable harm. The single hard copy print may only be distributed to other employees for their internal use within your organization; it may not be copied. (iii) Specifically, no one is authorized to transmit, copy, or distribute any Document in any manner or for any purpose except as described in Section 3 of this License, without ASTM's prior express written permission. In particular, except as described in Section 3, no one may, without the prior express written permission of ASTM: (a) distribute or forward a copy (electronic or otherwise) of any article, file, or material obtained from any ASTM Product or Document; (b) reproduce or photocopy any standard, article, file, or material from any ASTM Product; (c) alter, modify, adapt, or translate any standard, article, file, or material obtained from any ASTM Product; (d) include any standard, article, file, or material obtained from any ASTM Product or Document in other works or otherwise create any derivative work based on any materials obtained from any ASTM Product or Document; (e) impose any charge for a copy (electronic or otherwise) of any standard, article, file, or material obtained from any ASTM Product or Document, except for normal printing/copying costs where such reproduction is authorized under Section 3; or (f) systematically download, archive, or centrally store substantial portions of standards, articles, files, or material obtained from any ASTM Product or Document. Authorized Users:any individual who has subscribed to this Product; if a Site License, also includes registered students, faculty or staff member, or employee of the Licensee, at the Single or Multiple Site. Neither the electronic file nor the single hard copy print may be reproduced in any way. Governing Law, Venue, Jurisdiction. Any other use is prohibited, is a violation of this Agreement and can result in immediate termination of this License. Continued Access to Product.ASTM reserves the right to terminate this License, upon written notice, if Licensee materially breaches the terms of this Agreement. If you do not agree to the terms of this License Agreement, promptly exit this page without downloading the ASTM Document. You agree to permit access to your information and computer systems for this purpose. The ASTM Products are also available in Adobe Acrobat (PDF) format to Licensee and its Authorized Users, who are solely responsible for installing and configuring the appropriate Adobe Acrobat Reader software. C. Ownership. Termination:This Agreement is effective until terminated. (If you are seeking online access for multiple sites, please contact Kathe Hooper, ASTM International, at khooper@astm.org or phone: 610-832-9634). These documents are copyrighted by ASTM International, 100 Barr Harbor Drive,PO Box C700, West Conshohocken, PA 19428-2959 USA. 7. This Agreement is effective until terminated. This Agreement is the entire agreement between you and ASTM relating to its subject matter. If verification reveals unlicensed use of ASTM Documents, you must reimburse ASTM for the costs incurred in verification and reimburse ASTM for any unlicensed uses. Terms and Fees. (i) This License describes all permitted uses. D. IMPORTANT- READ THESE TERMS CAREFULLY BEFORE ENTERING THIS ASTM PRODUCT. (ii) Single-Site and Multi-Site Licenses: (a) the right to browse, search, retrieve, display and view the Product; (b) the right to download, store or print single copies of individual Documents, or portions of such Documents for the Authorized User's personal use, and to share such copies with other Authorized Users of Licensee within Licensee's computer network; (c) if an educational institution, Licensee is permitted to provide a hard copy of individual Documents to individual students (Authorized Users) in a class at Licensee's location; (d) the right to display, download and distribute hard copies of Documents for training Authorized Users or groups of Authorized Users. This Agreement will remain in effect thereafter for successive Subscription Periods so long as annual subscription fees, as such may change from time to time, are paid. 11. Passwords.

(9.3 m 2 /L) and allow to cure to a tack-free surface [typically two hours at 75° F (23° C)] prior to application of HYDRALASTIC 836. Ensure that the primer is uniform and void-free. Application can be accomplished by use of 3/8" (9.5 mm) nap roller or squeegee. Priming is recommended to remove trapped air/vapor from the substrate.
